On several points things are done differently from what you may be used to:

- Participating at the 2015 EC in The Netherlands means a field trial on natural game. We have enough fields and game available for every participant to have a fair chance.
- There is a strict (and well enforced) ban on releasing game into the wild.
- Shooting of birds isn't allowed during the EC due to a late opening of the hunting season.
- To claim a point, all competitors have to claim the point with a blank firing gun (only allowed caliber 6mm flobert).
- After making a point the dog has to retrieve a pheasant or duck (cold retrieve)
- The derby is only open to dogs born between 1-jul-2013 and 10-dec-2014.
- In the derby there is no champions trophy (CACT/CACIT)

The competition fee is €200,= for the Open Field trial and €150,= for the derby for 3 days all-in. This includes drinks, lunches and dinners during the 3 match days, the joint dinner/party and the Exterior club-match. The non-competing company of the teams can enjoy the drinks dinners etc. for €90,= for all three days. The fee for participating in the competition only is €145,= for the Open Field trial and €75,= for derby.

Teams can enter via the entry form on our website. Please send us the name and e-mail of the team captain and if possible an indication of the number of dog participating. We will mail the link to the entry-form to the team captain. Accompanying non-competing dogs can be entered for the exterior club-match through the following [Link](#). This is for the Club-match on the 13<sup>th</sup> of September.

In the entry form on the website there is also the option to send additional info on the participating dogs. We would very much appreciate the following info: pedigree, medical results, a nice picture and additional work results. Our goal is to present everyone with a nice catalog of all dogs competing in the 2015 EC!

Entry into the 2015 EC closes at 15<sup>th</sup> of August.

Since we're competing in fields with only natural game, the team size is limited to 5 dogs in the Open Field trial and 3 in the derby. If not all places are taken on the closing date an additional team or dogs may be entered. In case this occurs, all team captains will be notified.

To keep the organization of the EC manageable we hope to receive all entries as soon as possible.

After the closing date all competitors will receive the final planning including the judges and a list of all competitors.

For everyone who wants to book a place to stay, attached to the invitation is a list of possible B&B's campsites and hotels as well as directions to arrival/meet-and-greet location

Should you have any questions, please don't hesitate to mail us at: [EC2015@magyar-vizsla.nl](mailto:EC2015@magyar-vizsla.nl)

We look forward to all your entries!

Met vriendelijke groet,

Herman Obbink  
*Chairman of the Dutch Vizsla Association*
